Declaration of the university/research institution

We confirm that our university/research institution is interested in a long-term collaboration with the Christian Doppler Forschungsgesellschaft for the entire duration of the above-mentioned Christian Doppler Laboratory. We therefore apply for the establishment of the CD Laboratory at our university/research institution and have issued the prospective Head of Laboratory named above with the appropriate power of representation.

We confirm that we guarantee the employment of the future Head of Laboratory for the entire duration of the CD Laboratory or that we seriously intend to do so. We further confirm that we will ensure that her/his salary will be covered from the global budget of the university/research institution and guarantee the scientific independence of the Head of Laboratory.

Provided that the CD Laboratory applied for is approved, we will conclude the corresponding contract with the CDG for the establishment and operation of the CD Laboratory.

In the case of the establishment of External or International Modules, we will conclude a contract of collaboration with the respective university/research institution in which all relevant obligations are transferred.

We declare our willingness to grant access to CDG auditing bodies or their authorised representatives.

We will fulfil our reporting obligations to CDG, in particular with regard to

- agreements with the CD Laboratory's commercial partners in relation to the CD Laboratory,
- becoming aware of any interdependence between the Head of Laboratory and the commercial partners of the CD Laboratory,
- any accumulation of funding in connection with the CD Laboratory.

We confirm that all information in the scientific application and in this form is correct and complete.

Furthermore, we confirm that

- the management can be assumed to be sound and prudent,
- it can be expected that the scientific work will be carried out correctly, in particular based on the existing scientific, economic and managerial expertise,
- there are no legal reasons for exclusion and
- there are no other reasons for exclusion.
